

2002-03 District Status Report Hughes School District

Accreditation Standards

The Standards of Accreditation of Public Schools require that each school offer three programs of study in three different occupational areas. Below are the programs offered for 2003-04. If a program is offered at a vocational center, students must be enrolled in the 2003-04 school year.

Hughes High School is offering five programs of study in three occupational areas:

Agricultural Mechanics	Approved
Business Administration	Conditionally Approved
Horticulture	Approved
Information Management	Conditionally Approved
Marketing	Conditionally Approved

District Rating: Meets Standard of Accreditation Requirements

Academic Skill Attainment

Academic Attainment is based on the number of concentrators that score above the 50th percentile on the Stanford Achievement Test-9 (SAT 9).

The state benchmark for this measure is 50 percent.

Concentrators with a SAT score	27
Concentrators scoring above the 50th percentile on SAT 9	5
Percent of Concentrators above the 50th percentile	19%
State average	43%

District Rating: Below State Average

Vocational Technical Skill Attainment

Vocational Technical Skill Attainment is based on the average scores in the Vocational Student Competency Testing program for all students tested at the end of a course.

The state benchmark for this measure is 80 percent.

	Number Tested	School Average	State Average
Business/Marketing	110	66%	69%
Desktop Publishing I	12	62%	71%
Desktop Publishing II	16	78%	78%
Word Processing I	42	64%	64%
Word Processing II	40	64%	73%

Number of students tested	110
District average score	66%
State average	68%

District Rating: Approaching State Average

Completers of Programs of Study

A completer is a graduate who successfully completed three or more units of credit within a program of study, including all the core requirements for that program of study.

There are two measures for this indicator. The first is the number of completers compared to the number of graduates. The second is the number of seniors enrolled in career and technical classes compared to the number of completers.

The state benchmarks for this measure are 35 percent and 50 percent, respectively.

Completers compared to graduates	28%
State average	28%

District Rating: Meets or Exceeds State Average

Number of seniors enrolled in vocational education compared to number of completers	28%
State average	36%

District Rating: Approaching State Average

Total Number of Completers of Programs of Study (unduplicated) (A student may complete more than one program of study)	15
Horticulture	2
Information Management/Desktop Publishing	14

Graduation

The graduation rate for concentrators is based on the number of students identified as concentrators at the beginning of their senior year compared with the number of those from that who graduated.

The state benchmark for this measure is 90 percent.

Concentrators Identified	32
Concentrators Graduated	31
Percent Graduated	97%
State Average	92%

District Rating: Significantly Above State Average

Placement

Placement is based on the status of completers six months following graduation. Completers who pursued opportunities in postsecondary education, the workforce, and/or the military are considered positive placements.

The state benchmark for this measure is 98 percent.

Completers reported in 2001-02	2
Completers surveyed for follow-up	2
Completers in postsecondary education/workforce/military	0
Percentage of positive placement	0%
State Average	94%

District Rating: Below State Average
